My dear Dr. Pearsons:

We are very sorry indeed to learn of your illness. Perhaps it will bring you a bit of cheer to know that there has now been promised to us the $75,000 necessary to complete the conditions of your gift. I expect to have the cash all in within a few weeks, and to be able to send you a list and statement to that effect.

With most earnest gratitude and sincere good wishes for your early recovery, I am

Faithfully yours,

E.F.
